In case it's helpful, I'm attaching a comparison I created between the first draft of the preamble submitted to OIRA in December and today's draft.

I've sent the legal RTC back to my staff with my final comments and edits and a request to turn the draft tomorrow. Once they turn the draft, I asked them to send it directly to this group plus Mindy.

Will do. Yes, very few comments. Exclusions appeared heavier when I scanned it.

Awesome, thanks! When the clean version of the legal RTC is available, please send it to me and I'll be the last set of eyes on a full read of it. I think Tribes is the next RTC up for you. Please use the OMB pass back version that Mindy sent around 4:30. Very, very light edits.

Re: next steps, I just received an updated version of the legal RTC from my staff, incorporating the latest OIRA comments from yesterday. I'm planning to review and clear this tonight so my folks can get this to Mindy tomorrow morning. Tomorrow, I'll start with the preamble and then turn to the next RTC section you'd like me to review.

Attorney-Client Communication

Thanks for the detailed review David. I just have a few nits on your edits, and I've addressed the first point by just staying high level. Regarding the second:

Ex. 5 AC/DP

Ex. 5 AC/DP

Please have the team think about this, but I'm inclined to stay more absolute. Thanks!

David,

As discussed with Dave, please review the attached Ditches RTC. It includes redline from Dave and some bubbles for your context.

Thank you,
